OHIO MEDICAL RECORD COPYING CHARGES

Ohio law sets limits on the amounts that all health-care providers and medical record companies may charge for copies of medical records. The total costs for copies and all services related to those copies cannot exceed the sum of the following;

With respect to data recorded on paper, the following amounts may be charged to our patients;

- Two dollars and seventy-four cents (\$2.74) per page for the first ten (10) pages;
- Fifty-seven cents (57 ¢) per page for pages eleven (11) through fifty (50);
- Twenty-three cents (23¢) per page for pages fifty-one and higher;
- The actual cost of any related postage incurred by the health care provider or medical records company.

With respect to data recorded other than on paper such as copies of X-rays, EKG strips, etc, the following amounts may be charged to our patients;

- One dollar and eighty-seven cents (\$1.87) per page
- Postage

If a person other than the patient or the patient's personal representative makes the request (such as a request by an "authorized person"), total costs for copies and all services related to those copies shall not exceed the sum of sixteen dollars and eighty four cents (\$16.84), which shall compensate for the records search.

With respect to data recorded on paper, the following amounts may be charged to an authorized person;

- One dollar and eleven cents (\$1.11) per page for the first ten pages;
- Fifty-seven cents (57¢) per page for pages eleven through fifty (11 - 50);
- Twenty-three cents (23¢) per page for pages fifty-one and higher (51);
- The actual costs of any related postage incurred by the healthcare provider or medical records company.

With respect to data recorded other than on paper, the following may be charged to an authorized person;

- One dollar and eighty-two cents (\$1.82) per page
- Postage

The above fees remain in effect through December 2008.
